

What's for lunch?

The Fredericton Food Bank served 18,000 needy people last year, of which 42% were children. The children especially need items for their **school lunches**. Examples are juice boxes, granola bars, applesauce and puddings.

Can you help? Please put your donations in the big wicker basket near the font. A member of the **Cathedral's Outreach Committee** delivers these items every week to the food bank.

The food bank provides low-income families with non-perishable groceries, baby food, diapers, personal hygiene products and school supplies. Your generosity is most appreciated!

Thanks from the Cathedral Outreach Committee!
